- B.
  1. A 'Grievant' is the person or persons or the Association making the complaint.
  2. The failure of a grievant to act on any grievance within the prescribed time limits will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.
  3. Any investigation or other handling or processing of any grievance by the grievant shall be conducted so as to result in minimal interference with or interruption of the instructional program and related work activities of the grievant or of the staff.
  4. A grievant may be represented at all pre-arbitration stages of the grievance procedure by himself, or, at his option, by an Association representative selected by the Association. If an aggrieved party is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.
- C.
  1. **First Step**  
An attempt shall be made to resolve any grievance in informal, verbal discussion between the grievant and his or her principal or supervisor.

The arbitration proceedings shall be conducted by an Arbitrator to be selected by the two parties within seven (7) days after said notice is given. The parties will determine by lot which shall have the right to strike the first name, which shall be done within one week of receipt of the list, thereafter, the parties will alternately strike one name at a time from the panel until only one shall remain.
